PURPOSE

The Canadian Sport Institute, through a partnership with the Province of BC and ViaSport, the network of PacificSport Centres, and BC Athletics collaborates to deliver programs and services to place BC Athletes¹ on National Teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout British Columbia.

Canadian Sport Institute / PacificSport athlete and coach support for the Canadian Development and Provincial Development nomination focuses on athletes and teams 5-12 years from the Podium, identified by the sport specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent both the next generation (5-8 years from Podium) and future generations (9-12 years from Podium) of Olympic and Paralympic (or World Championship) medalists. Support may be focussed more toward the future generation (9-12 years from Podium) for some targeted Paralympic sports depending on the quality of the next generation (5-8 years from Podium) of athletes and teams.

PODIUM PATHWAY CONCEPT OVERVIEW

¹ In general a BC athlete is defined as an athlete born, developed, and/or trained/centralized (for a minimum of three months) in British Columbia.

DETAILS

Through the above partnership, and with the above purpose in mind, BC Athletics may nominate athletes and their coaches who meet specific criteria for Canadian Sport Institute / PacificSport athlete or coach registration. Upon registering, athletes and coaches can engage in enhanced programs, benefits, and selected support services through the Canadian Sport Institute and the network of PacificSport regional centres in BC.

Canadian Sport Institute and PacificSport athlete support is divided into four levels based on performance, each with a slate of designated benefits. Please click on the following for an outline of Canadian Sport Institute Athlete and Coach generic eligibility, programs, and benefits. Please see Appendix 1 for an outline of BC Athletics targeted athlete benefits, programs, and services as delivered through BC Athletics.

Targeted athletes are nominated by BC Athletics based on the athlete criteria below. Any enquiries regarding the sport-specific selection criteria can be made to Garrett Collier garrett.collier@bcathletics.org. As a general principle, all athletes are expected to demonstrate evidence of their ongoing performance progression and tracking toward BC Athletics HP program benchmarks to remain targeted. BC Athletics PSO Technical Representative and the Canadian Sport Institute Athlete Development Advisor working with BC Athletics have the final authority over the Canadian Sport Institute nomination process.

The athlete and coach nomination cycle for Canadian Sport Institute / PacificSport / BC Athletics targeting runs November 1 to October 31 annually, and athletes are selected based on performances from the previous 12 months. Athletes who meet Canadian Development criteria throughout the annual nomination cycle may be added to the BC Athletics targeted athlete list, on a case by case basis, by contacting the PSO Technical Representative.
