Correspondence

a. Brian McC Calder – Americas Masters Games

BC Athletics has signed a letter of engagement to include athletics in the 2016 Americas Masters Games.

Jake reported that at the last CMA Board Meeting, there was no indication that the CMA T&F Championships would be included.

b. John Cull – Record Forms

John indicated that officials are often being asked to sign record application forms for records that were set 1 or 2 months ago. Recalling something that an official saw or did 1 or 2 months ago is very difficult.

John recommends that the form be filled out at the meet or not at all.

The committee was in general agreement. Jim will take this matter up with the BCA Board.
