

## Application to host the BC Athletics Cross Country Championships (2017 and 2018)

BC Athletics invites applications to host the provincial cross country championships in 2017 and 2018. Note, the championships will be awarded for two years, subject to satisfactory hosting the first year.

The primary goals of the Host Organizing Committee are to:

- Provide the best possible conditions for athletes to achieve their optimum performance.
- Oversee the planning and presentation of the Championships.
- Promote awareness of the Championship within the community with the goal of maximizing participation and public interest.
- Raise funds to support the staging of the Championship.

The championships must be held on the last Saturday of October (Oct 28, 2017 and Oct 27, 2018). Championships are held for all age groups, from 9 year old boys and girls, through to Masters men and women. The timetable will be subject to travel considerations, but should start no earlier than 11:00am. The championship events are:

Race	Time	Category	Distance
#1		Boys & Girls (age 9)	1.5 km
#2		Boys & Girls (age 10)	2.0 km
#3		Boys & Girls (age 11)	2.0 km
#4		Junior, Senior & Masters Women*	6.0 km
#5		Junior, Senior & Masters Men*	8.0 km
#6		Boys & Girls (age 12, 13)	3.0 km
#7		Midget Girls (age 14, 15)	3.0 km
#8		Midget Boys (age 14, 15)	3.0 km
#9		Youth Girls	4.0 km
#10		Youth Boys	5.0 km

Notes:

\* Youths may run up in the Junior event to qualify for the BC Team — must indicate race # when entering.

Championship entry fees are set by the association, and currently are:

Fee Type	Regular	Late
JD and School	\$ 7.00	\$12.00

All Others	\$12.00	\$17.00
------------	---------	---------

Championship entry is restricted to competitive members of BC Athletics. If the championship races form part of a regional cross country series, then race entry can be open to all membership types (including Day of Event), but only competitive members are eligible for championship awards.

Selection of teams to represent BC at the Canadian Cross Country Championships will be based upon results at the BC Cross Country Championships.

Pre-requisites to hosting a championship include that the event and/or host organization be in good standing with BC Athletics.

BC Athletics provides hosting grants and limited championship prize money, subject to budget and application deadlines. BC Athletics will host the Championship website, and work with the Host Organizing Committee to promote awareness of the Championship.

Please include as much information as possible on the following pages.

**The deadline for applications is June 27, 2016.**

### 3. Venue and Facilities

Name and address of the competition venue: \_\_\_\_\_  
\_\_\_\_\_

A loop course must be designed, with loops of approximately 1km and 2km. The course must be designed on an open or woodland area, covered as far as possible by grass. A “natural”, undulating course with smooth curves and relatively short straights, is the most suitable. Natural obstacles can be incorporated, but deep ditches, dangerous ascents / descents, and thick undergrowth should be avoided. Narrow gaps or other hindrances which would deny the athletes an unhampered run should be avoided. The crossing of roads or other paved surfaces should be avoided or kept to a minimum. The start must be wide enough to allow 50 athletes to line up abreast, with a minimum 200m straight before the first turn, and should not narrow to less than 20m wide over that distance. The finish should also provide a straight run-in over the final 200m.

**Attach a map of the course, indicating uphill and downhill, and include a course profile if available.**

**Attach maps showing the overall layout of the venue** (indicate the start and finish locations, permanent and temporary shelters, areas where clubs may setup tents, washrooms and change facilities, race registration, awards area, concessions, and other services)

Nearby recommended accommodations: \_\_\_\_\_

Distance from venue to recommended accommodations: \_\_\_\_\_

Car parking capacity: \_\_\_\_\_

---

Describe the communications system to be used on site for officials, medical and event staff:

---

---

Please ensure that the following documents accompany your application:

- Letter of support from the venue owners. i.e. City, Parks, Schools.
- Map of the city in which the competition will be staged indicating the competition venue, accommodations, etc.

#### 4. Marketing and Communications

Outline your marketing plan for the championships.

---

---

---

Will the championship races form part of a regional cross country series.

---

BC Athletics from time to time enters into exclusive sponsorship and supplier agreements that have a positive impact on all BC Championships. As a condition of being awarded the championships, the host committee must respect BCAs provincial sponsors, and recognize these sponsors appropriately. At this time The Royal Canadian Legion is a sponsor of Youth Athletics. BC Athletics reserves the right to enter into other championship sponsorship agreements, and will advise the host organizing committee accordingly.

List confirmed and potential sponsors.

---

---

---

What areas around the venue are available for the display of sponsors' banners or advertising boards?

---

---

How will you service your sponsors?

---

---

---

What would you propose as a communication plan to ensure coverage of the Championships locally and provincially, including the use of social media channels?
