Standing Committee Reports

New Business

Track & Field Records

One application for a record from Rene Belanger from 1999. There is some question about whether she was a BC resident at the time of the record. She is listed for this record as a resident of PQ. Harold will follow up.

Road Records

10 new records were submitted for consideration. A couple of the records were set on “downhill” courses and these will be noted as “notable” performances. All records submitted were accepted.

Masters Awards

We tried to publish the top three candidates for awards to broaden the interest and appeal for the award. We didn't get this information published for 2006 awards but will try again for 2007.

BC Seniors Games & CMAA Chamionships

September 12-15 in Nanaimo and July 26-28 in St John, NB

Meeting adjourned at 7:25 pm. Next meeting is going to be April 4, at Dragomir Liu
