

## BC Athletics Masters Committee Minutes

Meeting Date: June 6, 2007

Meeting Location: Dragomir Liu office

Attending: Jake, George, Harold, Gerry, Frank, Tom

Meeting Start: 6:05 pm

Agenda adopted as presented by the chairman

Minutes of Apr 4, 2007 accepted

### ***Business Arising***

Masters T&F Champs – 5k run is still scheduled for Friday evening. Fees were set at \$15 per event for all events, contrary to our fee structure. We anticipate some disputes on this. Harold will follow this up with the meet director. Pole Vault competition was held June 5 with 8 competitors. Thanks go to Gerard Dumas for hosting the event.

Canada/USA Cross Country Challenge – After some discussion, we agreed to organize a team to participate in the event on November 18<sup>th</sup> in Seattle. Jake will contact Carole Langenbach and Brian Keaveney about the decision. George will help organize a team.

### ***Correspondence***

None

### ***Standing Committee Reports***

#### ***New Business***

Tom mentioned that Surrey is interested in hosting the BC Masters T&F Championships. They will require an upgrade to their facilities with respect to the discus and hammer events. Tom will advise the appropriate people about the BC Athletics process of bidding for championships.

#### Track & Field Records

Three additional new outdoor records set in 2007, all approved.

Harold has compiled a listing of indoor records for BC. The listing was approved by the committee as written.

#### Age Grading at Masters events

Some events are not properly recognising superior performances by properly using age graded tables to compute equivalent performances. Jake will look into this and offer assistance to event directors to help correct this problem.

Meeting adjourned at 7:00 pm. Next meeting is going to be October 3, at Dragomir Liu office
