2009 Masters T&F Championships Schedule

We reviewed the proposed schedule of events and had a few changes to suggest. The run should be 5,000m and not 3,000m. There is some discussion of the Steeple events but no conclusions. Committee members will review the schedule further and give their feedback to Jake who will forward it to the meet director.

Award criteria for 2009

Sport BC Master Athlete of the Year – selection will be based on the 3 best age graded performances for the top 5 athletes. The committee will then choose the best candidate based on personal knowledge of the selected group.

BCA Masters Athletes of the Year (T&F, Cross Country and Road Running) – selection criteria will remain the same as for 2008.

Masters Membership Statistics

There was a general discussion of the trends in membership over the past years. A further discussion will be held at the next meeting after getting access to the membership statistics for the past 5 years or longer if possible.
