<p>Notes:</p>	<p>Coaching education is still on the main focus for 2008, and it is on the go as BC Athletics already has scheduled a NCCP Level 3 Symposium in the spring. It is great to see that more and more "early" training possibilities offered in the warm weather area like the Spring Break Vertical Jumps Camp – Phoenix, Arizona and The Best in the West HS Spring Break Camp in San Diego, California. Thanks to our leading coaches!</p> <p>It would be great to see more event specific promotional meets like the "Beach Pole Vault" all over the province.</p> <p>We need to work on keeping athletes competing after the school season is over with the main focus on keeping athletes over 17y interested in staying competitive in general.</p>
