

Zone 3, 4, 5 Report for 2008

Steve Martin

Highlights of a busy year where we had track meets occurring almost every week for 3 months were that we hosted the BC Masters Championship in conjunction with the JD Pentathlon Championship' and we hosted the Canadian Junior T & F Championship.

Cross Country had a busy schedule in the fall, with the BC Cross Country Championship being hosted in this region.

Road Running held many events and hosted the 8 K Championship.

The clubs were busy hosting meets, while the athletes were doing their best. We saw many athletes perform to their best at the Provincial, National and International meets (including the Olympics).

This year the World Police and Fire Games is coming to Burnaby.

I want to thank the executives of all the clubs for their work in developing kids and adults in this discipline and in their involvement in the lives of these individuals.

There is an urgent need for one more Zone representative on the Board.
