

2009 BC Athletics AGM

Events and Promotions 2008

BC Athletics Pop-Up Tents:

BC Athletics took possession of three pop up tents in March of 2008. There is a 10 x 10 ft tent for each of the BC Athletics program divisions of Track & Field, Cross Country and Road Running.

The tents are available for use at BC Athletics sanctioned events.

BC Athletics Information Brochure:

The BC Athletics Information Brochure is now in circulation. A copy is included in the delegates packages.

BC Athletics Membership Discounts:

At the present time I am contacting running stores in the province to verify discounts currently given to BC Athletics members and to encourage more retailers and suppliers to offer BC Athletics member discounts.

Once this has been done the collected information will be posted on the BC Athletics website.

BC Athletics has also purchased a supply of BC Athletics note-book with pen hand outs (AGM delegates received one this year) for use in promoting and creating day to day awareness for the association.

Respectfully Submitted
Jim Hinze
