Eligibility

The Canadian Masters Championships are open to all male and female masters and sub-masters aged 30 years and over **on race day**. Male and female competitors will run in the same race. Because sub-masters (men and women 30 - 34) are a CMAA classification, they are eligible to run in the Masters race. However, these age divisions are classified as non-championship because WMA (World Masters Athletics) does not recognize these age groups.
