Correspondence

Email from Brian McC Calder concerning the Masters Championships and the size of the event. Brian has asked to meet with representatives of the committee to discuss arrangements. See the 2013 BC Masters Championships Review below.

Old Business

BCA Hall of Fame

There is a concern on the part of BCA staff that having a separate Masters category in the HoF would open considerations for membership to other athlete classes. Resolved that the Masters Committee would simply recommend and sponsor applicants for induction into the HoF in the general athlete category

2013 Canadian Masters T&F Championship

Entries for this year are light. We need to encourage more BC athletes to consider attending. Members of the Committee will pass around the information.

2013 BC Masters T&F Championship Review

The size of the meet made some of the field events run long. The track events appeared to run more or less on schedule. The bottlenecks appear to be related to the large number of youngsters that are in some of the events. There are some schedule change possibilities that could improve the delays. We'll look for alternative meets that have lower populations of non-Masters athletes for hosting the Championships. Harold prepared a comprehensive report of the meet proceedings, thanking the Langley Mustangs for again hosting a very successful event.

Records – Track

32 new records, 1 tie and 1 record pending acceptable paperwork. Of the BC records set 16 were also Canadian records and 3 were World records.

Approved, unanimous

Road
