

B.C. MASTERS TRACK AND FIELD RECORDS

(Women 35+ Men 40+) Updated November 08, 2012

Effective January 01, 2001: Wind readings are required in races 200m and shorter, and in the long and triple jump. Only electronic times will be accepted in races 400m and shorter. Those marks established with electronic timing are recorded to the hundredth of a second, while hand times are rounded up to the tenth of a second. The conversion factor to compare hand times to electronic times is +0.24 seconds.

"p" indicates pending records.
