Part 1: GENERAL NOTES ON UPGRADING CRITERIA

(2)

I Event Credit System:

- 1.1 One event credit received for time worked at an event up to and including 4 hours. Two event credits received for time worked at an event between 4 hours and 8 hours. Three event credits received for time worked at an event in excess of 8 hours. **In all cases, only three credits per day may be claimed.** The exception will be Race Walks, please see section: 1V Special Categories B4 Event Credit System for Race Walks.
- 1.2 Credits: "National Championships (NC)" credits can be carried forward ONLY if they have not been used previously on an upgrade promotion. All other credits are valid for 5 years and can be used only once. When a promotion has been granted, the credits earned prior to the date of promotion can no longer be used.
- 1.3 Officials can use only one event credit per 4-hour period. If an official has worked at more than one event, the official decides which credit is to be used. The only exception to this rule is for Race Walk Judges, who can claim their race walk credit and one other credit within the 4-hour period.
- 1.4 Generally, only one official per group may earn a credit as "Chief" within a period of 4 hours. But, in a Group of officials covering different events within the discipline (e.g. Shot put and Javelin) where the 'Chief' position has been rotated; all the members who have been 'Chief' may claim a credit as 'Chief' within the 4-hour period, provided each 'Chief' performs all the duties that are normally the responsibility of the 'Chief'. In practice, this means that only one Starter may claim a 'Chief' credit in any one session.
- 1.5 Credits can be earned outside of Canada, as long as support documentation is supplied by the official. Support documentation should include a copy of the meet schedule and meet program, plus the signature of the official in charge or the Meet Director. The official signing must be a recognized official.
- 1.6 An official must officiate a minimum of 8 event credits per year to maintain active status. Officials acting as evaluators/mentors may count that time as "credits" for the purpose of maintaining "active" status.

II Types of Meets for Upgrading Purposes:

1. There are **four** types of meets for the purpose of upgrading:
 - a) **Regional meets:** which are small area meets that can be used for upgrading to the provincial level only. These meets will not be accepted on requests for upgrading for levels 4 and 5. An example would be a local all-comers meet organized by the club where 3 to 5 entries per event are the average.
 - b) **Provincial meets:** which are meets large enough to have Chiefs of events and referees, or to involve different regions of a province. Examples are large all-comers meets, school provincial championships, and Provincial summer games.
- Note:** All non-sanctioned meets can be used for provincial upgrading at the discretion of the Branch. They will not be considered for Levels 4 and 5.
- c) **National meets:** which are meets designated as such each year at the annual meeting of the National Officials' Committee and the Branch Official Chairs.
 - d) **National Championships:** which are meets that include Canadian Senior Championships, Canadian Junior Championships, Canada Games and other events designated as such each year at the annual meeting of the National Officials' Committee and the Branch Officials Chairs.

Note: The Guidelines used to determine a "National - N" or "National Championship - NC" designations are attached as Appendix 1.

III Levels of Officials:

(3)

1. All officials must hold a valid Athletics Canada membership to maintain their status on a Provincial or National List; as a Level 1, 2, 3, 4, or 5 official; or as an NTO, ATO or ITO.
2. Officials are generalists when they are Provisional, Level 1 and Level 2. Specialization starts when applying for Level 3.
3. All Level 3, 4, and 5 officials should take a clinic every three years in each of their disciplines to remain current on new rules and interpretations.
4. Officials immigrating to Canada will be considered by NOC for Level 4, providing that their experience in the officiating discipline is similar to what is required from Level 4 Canadian officials.

IV Upgrading Request Application Requirements:

1. In upgrading requests, at least 40% of the credits listed must be from **outdoor** events. This is to guarantee that the official has at least some exposure to the effect of the natural elements on the conduct of a meet. It is recommended that officials applying for Level 4 and 5 include at least one *indoor* credit, to indicate experience with the unique conditions that indoor events provide.
2. Up to 50% of outdoor credits and 50% of indoor credits used for upgrading purposes can be from competitions for the disabled.
3. When applying for the Level 4 or 5, a candidate must be mentored in **all** the events or tasks within the discipline. For example, Throws Judges must work all 4 throws; Umpires must lap score; Starter's Assistants must work in the Call Room. It is recommended that this be the case for promotion to Level 3 as well.
4. All applications for Level 4 and 5 must first be sent by the official to their Branch Officials Chair to be processed (means verifying that all the documentation is complete and accurate.) Requests for upgrading must be signed by the Branch Officials Chair **and** by one other registered official from the Branch. All applications meeting the criteria must be sent to NOC – Vice Chair: Upgrading and Directory. Recommendations from the Branch Officials Chairs' on upgrading criteria are always welcomed.

Note: - Incomplete applications will be returned to the applicant and will not be considered again until received complete.

5. Requests for upgrading for Level 4 and 5 must be postmarked or 'fax dated' no later than **March 31** for spring upgrading, or **September 30** for fall upgrading. Requests which are not so dated will be returned to the respective Branch Officials Chairs.
6. There is no waiting period required when applying for upgrades in two disciplines when one is required to get the other, providing that the criteria for both are met. For example, requests for Starter 4 and Track Referee 3 can be submitted at the same time, providing that the criteria for both are met.

V Other:

1. When a **new discipline** is added to the Directory, the following procedure will be followed:
 - I) Criteria for the discipline will be established
 - II) "Grandfathering" will take place up to and including Level 4 or National List
2. Canadian NTOs, ATOs and ITOs may act as mentors for any discipline after attending a National Mentor training session.
3. Officials are automatically added to the Jury of Appeal National List when they become National Technical Officials (NTOs).

Appendix 2: Provincial Mentoring/Upgrading: Guidelines and Reporting For Levels 1, 2 & 3 (11)

Mentors are an important key in the upgrading process. The mentoring session is designed to assess the official's knowledge and the official's ability to react correctly to various situations.

AS THE MENTOR:

- 1 Make it a co-operative, communicative, win-win process. Engage in active listening.
- 2 Accommodate the performer. Schedule the mentoring session to provide lots of time and, as much as possible, at their convenience. Prepare for the session; don't plan the mentoring session as it is happening.
- 3 Performers should know, through their measures and standards, how they are doing. Don't let there be any surprises.
- 4 Discuss performances, not niceties. Be honest and specific with the performer. Offer praise and suggestions for change. Never attack.
- 5 Help performers to exploit strengths and correct weaknesses. Less-than-expected performance should already have been addressed.
- 6 Make specific commitment to assist the performer in upcoming meets, in terms of performance opportunities and development goals.
- 7 Encourage the performer to discuss performance or development issues with you at any time.

AS THE OFFICIAL BEING ASSESSED:

- Discuss performance, results, not activities.
- Be ready to discuss your performance in relation to your position (performance expectations).
- Be prepared. Complete your portion of the appraisal form before the mentoring session.
- Be honest with yourself.
- Make a commitment to specific personal development in the upcoming year.
- Feel free to approach the mentor to discuss your performance and development.

PERFORMANCE IMPROVEMENT:

How to get people (athletes, coaches, officials, spectators) to start doing something, stop doing something, or continue doing something are all performance improvement questions.

As a Judge:

- Are you communicating with integrity to ensure no mixed messages are being sent?
- Are you listening for the needs of the athlete?
- Are you responding to those needs in a fair and flexible way?
- Have you set clear and understandable goals?

As a Chief:

- Have you agreed upon roles and procedures for the members within the team?
- Are you providing ongoing performance feedback to the team, relative to the targets that were set?
- Are you providing opportunities for team officials to make their own decisions?
- Are you rewarding positive behaviour by individual team members for a job well done?
- Is the job assigned to team members designed to be challenging relative to abilities?

MENTOR GUIDELINES:

All mentoring sessions must be discussed with the official involved (before, during and after the session) and the written copy handed to him/her for safekeeping. An assessment is to reflect the position over the period of the meet or even many meets, if possible, not just one event.

MENTORING GUIDELINES:

- 1 Observations over the entire meet, not just one session or event.
- 2 Note that Part III relates to Chiefing an event and is for Level 3 applicants only.
- 3 It is in the official's best interest to be completely honest. Do not waffle; the official can (or cannot) do the job.
- 4 If you indicate that there are areas needing improvement, you **MUST** make comments in such a way that the official can understand the problem and work toward improvement.
- 5 Make sure the form is signed, and that your opinions are discussed with the official who signs and indicates agreement or disagreement. Return the signed form to the official.
