BC Athletics values the privacy of its members. We consider registration data to be **Confidential Information**. We do not divulge the information to outside agencies.

The registrar will be given password-protected access to club data through the email address provided below. Each year BC Athletics requires a waiver signed by the club president and the registrar verifying the identity of the registrar and providing his/her email address, where login information will be sent.

Upon receipt of the signature of the Registrar and Club President, an access code will be sent to the registrar's email.

A new waiver must be completed if there is a change of Registrar during the current season.

As registrar of my club I agree that I will not share my access code to the AC Direct Online Registration system with anyone without the consent of BC Athletics. I recognize that registration information is private and confidential.
