

Mother's Day 5K—Mother/Child Competition

The mother/child division of the Phoenix Mother's Day 5K proved to be unexpectedly popular. We had 46 teams competing for one prize—we'll have to do something about that next year! Because many mothers competed with two children, we had about a hundred people competing in this division—over a quarter of our race participants. Thanks to everyone for making this family event part of your Mother's Day!
