Initiatives undertaken in 2014 that relate to the BC Athletics 2013-2016 Strategic Plan objectives:

- Spread more information about athletics to the communities.
- Identified athletes who have the potential to be successful in jumps.
- Broaden the horizon to developing young talents.
- Worked together with others sports leaders/coaches.
- Increased education for athletes and coaches.
- Held several event specific clinics, all over the province.
- Offered more NCCP Sport Coach and Club Coach Course.
- Recruited older athletes for school and club programs.
- Increase in leading “Before & After School “ athletics programs.

Challenges:

- Lack of adequate winter facilities for sprinting and jumping.
- Diminishing scheduling conflict for jumps with sprints events.
- This year jumpers results are much lower compare to last year.
- To able to use the wooden triple jump take-off board at all level competitions where the venue is build for it.
