Goals for 2019 relating to the Strategic Plan objectives

- * Delivering multi-events specific clinics/workshops all over BC.
- * Continue to promote community involvement and outreach.
- * Creating a database profile for provincial event coaches to improve multi-way communications.
- * Developing a functional mentorship system for coaches on all levels.
- * Find a way to encourage athletes to stay competing after post-secondary education.
- * Reminder about LTD: Combined events are the base of athletics!
