

BC Athletics AGM
Zone 3, 4, 5 report
September 7th, 2019
Prepared by Jacob Emerson and Jasmine Gill

Competitions

We attended a variety of meets this year, to assist with the meet, speak with coaches and get a general idea of how things are going.

- Harry Jerome Indoor
- Fraser Valley High School Invitational Track Meet
- BC High School Championships
- Pacific Distance Carnival & Canadian 10,000m Championships
- BC Junior Development Pentathlon Championships

New Infrastructure

Our zone is very lucky as communities are in the process of designing and building three full size tracks. Vancouver is developing a track and field strategy currently in order to locate key locations to develop new facilities along with a plan to maintain and repair existing facilities. North Delta is also working on producing a new facility at North Delta Secondary while Bear Creek Park is planned to be upgraded to a full-scale facility. Richmond has also re surfaced their track this summer.

Notes from Jacob

After my first year on the board of directors I feel I have learned a lot. I am excited going forward as I can now take everything I have learned from this first year and really apply it into the second half of my term.

Our zone tends to be quiet with its communication throughout the year and I hope after the AGM we can work on creating a stronger zone by improving this.
