### Summary of Activities

- Meetings three times yearly to review any issues and progress of Road Running in the Province.
- Selection of the Annual Award winners and setting of criteria associated with the awards.
- Glad to see that Road Running has resumed and that most events have been able to get back on to the calendar. Overall events are seeing a slight decline in participation off 2019 highs (supporting statistics in Technical Managers report).
- All five Championship distances were able to be held in 2022.
  - With the St Patrick's Day 5k not being able to go ahead in March, thank you to Graeme Fell of the Vancouver Thunderbirds and the Longest Day 5k for hosting the Championship on short notice.
  - 2023 Championship hosts will be reviewed at the next meeting and potentially may carry over for one more year as events are getting back to normal.
- All 4 Road Series have been able to resume. With some race substitutions and cancellations.
  - BC Super Series – <https://www.bcatletics.org/BCSuperSeries/>
  - Lower Mainland Road Race Series - <https://lmrrs.com/>
  - Island Series – <https://www.islandseries.org/>
    - Thank you to Louise Hodgson for her leadership of the Series, this was her last years as series manager. Taking over the role will be Chris Kelsall.
  - Interior Running Association - <https://www.interiorrunningassociation.com/road-race-series/>
- Congratulations to Cam Levins, besting his previous mark to set a new National Marathon record of 2:07:09.

### Looking Forward

- The committee looks to continue to support local events and BCA Staff in growing the Road Running Community.
- Look to support staff with the resumption of the Race Director Conference, held with Triathlon BC.
- Support the hosting of a Race Directors Seminar to train more local measurers and raise their qualifications.
