

2022 BC Athletics Board of Directors

Nomination for Director Programs & Development

Garrett Collier

I have been involved in the sport of athletics as an athlete, coach, administrator and official.

I am currently the Head Coach and Lead Throws Coach of the Kajaks Track and Field Club, Assistant Coach at UBC and committee member of the BC Throws Project.

In addition to coaching, I previously held the role of Technical Manager for Track and Field at BC Athletics.

Issues I'd like to explore include the current state of coaching (recruitment, professional development, etc), Officiating and competitions.

I look forward to working with staff and committees to find innovative solutions to improve our programs.
