

Jordan Myers | Events & Promotions Board Member (incumbent)

I am the current incumbent and have been on the board for 13 years in 2 roles: first, Zone 3 & 4 rep, and second as Director of Events & Promotion. I am seeking another term with the intention to recruit & mentor a successor and look at other opportunities to continue to volunteer & support BCA. In my tenure (& prior to my time on the board) I have served on 3 different national AC road initiatives/ committees. I currently organize and MC the BC Race Director's conference with the support of Triathlon BC. I am also the board rep of the Road Running Committee, and the past chair.

I bring a background of 18+ years of professional event production/ organizing experience to the board and organization. Of that experience, specific to local (BC) running and our sport, this year I served the first (of 2) as the Senior Operations Advisor to the TC10k, mentoring and supporting the organization in the lead up to the 35th anniversary.

Other leadership roles I have previously held locally:

- RD (& course designer) for Vancouver Marathon
- RD for Rock n Roll Van Half Marathon
- RD for the Lululemon Seawheeze
- Finish Area Manager for the Sun Run & TC10k,

I currently work for the City of Vancouver as the Public Safety Manager for Film & Special Events (& Emergency Management). I have lived in Vancouver for 20+ years, the first 10 on the Drive ...& since the Olympics, have lived in Mt Pleasant just off Main @ Myers Flat, with my wife Janis & daughter Kaia.
