

For Immediate Release – BC Athletics Board of Directors Update

The BC Athletics Board of Directors is pleased to announce the appointment of **Brent Dolfo** to fulfill the remaining one-year term of Director **Darren Willis**, who announced his resignation at a Board meeting on **October 21, 2025**.

To ensure continuity during this time of transition under the new BC Athletics Constitution & Bylaws, the Board has appointed Brent to serve the remainder of Darren's term.

Brent brings extensive experience in athletics and leadership development. He served as **President of the Langley Mustangs** for 10 years and chaired the **Local Organizing Committee** for the 2022 and 2023 **Canadian National Track & Field Championships**. Professionally, Brent is a global consultant and leadership coach specializing in governance training, executive coaching, and succession planning for not-for-profit and faith-based organizations.

We look forward to welcoming Brent into this role and introducing him to the members at the upcoming **Annual General Meeting**.

The Board has also appointed **Tara Self** as “**acting Chair**”, until after the director elections at the AGM on **October 29**, following which the Board will elect its Chair, Vice Chair, and Director of Finance, as per the Bylaws.

Finally, the Board has appointed **Darren Willis** to chair the AGM, where we will have the opportunity to thank him for his outstanding service and leadership over the past eight years—particularly during his past three years as Chair, a period of significant change for BC Athletics and the broader sport sector.

Sincerely,
