## 4.0 SELECTION CRITERIA & STANDARDS

### 4.1 Methodology

When producing team standards, BC Athletics works with the philosophy of “probable finalist, possible medallist”. The 2020 BC U20 Team Standards are based on the higher performance of either A) the average 3rd place finish over the previous 5 Canadian U20 Track & Field Championships, or B) the 8th ranked performance of 2019. The term “Higher Performance” is defined as the more difficult standard (fastest, highest, furthest or greater points depending on the event). The Standards for the 10K Walk are set based on the average WORLD ATHLETICS Points of all other events. If necessary, standards are adjusted by the event group representatives on the BC Athletics Track & Field Committee.

### 4.2 Eligible Performances

All performances must appear on the [2020 Outdoor Athletics Canada Rankings](#). It is the responsibility of the athlete to ensure eligible performances appear in the rankings in order to be considered for selection. Please submit results to [results@athletics.ca](mailto:results@athletics.ca).

### 4.3 In-Eligible Performances

For purposes of selection the following performances will not be eligible for selection or funding:

- i. Wind-Aided Performances;
- ii. Hand-Timed Performances;

### 4.4 Selection Process (All Events)

Eligible athletes will be selected using the following criteria:

1. Athletes will be considered by their percentage of standard in descending order until the team size has been filled (see: 3.4.B);
2. Other athletes may be considered by nearness to standard and medal potential based on their results during the published qualifying period (see: 3.1).
3. There will be NO Selection Trials for the BC U20 Team(s).

## 4.5 COMPETITIVE READINESS

Selected athletes are expected to be competitive ready at the time of selection and leading up to, and at, the provincial team events. As part of demonstrating competitive readiness, athletes will be required to complete steps outline below.

### A. BC Team Selection Acknowledgement Form

All athletes, and primary coaches of athletes, selected to a BC Team must complete, sign and submit the BC Team Selection Acknowledgement Form prior to receiving team information (travel, accommodations etc.). As a part of this form disclose to BC Athletics if there are any reasons (i.e. injury) that may affect their competitive readiness.

## B. Competitive Readiness

If a selected athlete presents reasons (i.e. injury or illness) that may result in questionable competitive readiness, BC Athletics will work with the athlete and coach on a case by case basis to certify the athletes competitive readiness.

## C. Evaluation of Competitive Readiness

Athletes with questionable competitive readiness will be required to prove fitness. This may be done through proof of fitness at a competition. In some cases, medical documentation [by a medical doctor only](#) may be used as an evaluation tool if competition is not possible.

## D. Violation of Competitive Readiness

If an athlete and personal coach falsely certify that a selected athlete is competitive ready resulting in a poor performance or non-performance at the BC Team event, that athlete and coach may be responsible for refunding BC Athletics the total costs incurred for team travel, entries, equipment transportation or other costs associated with the BC Team. BC Athletics will consider these situations on a case by case basis.

## 5.0 APPEALS

- I. Only athletes who have achieved the published standard (Appendix A) during the published qualifying period (section 3.1) or have met the selection criteria (section 4.0) may submit an appeal.
- II. Appeals for Selection are to be submitted only by filling out the online [BC Team Program Appeal for Selection Form](#)
- III. Appeals must be submitted within 24 hours of the announcement of the team selection (section 2.9). Appeals submitted after this time will not be accepted under any circumstances.
