*This was an amendment made to the criteria on May 15, 2023.

Selection Standards Methodology

When producing team standards, BC Athletics works with the philosophy of “probable finalist, possible medalist”. The 2023 BC U20 Team Standards are based on the average National 6th ranked performance from 2019, 2021, 2022, OR the average National 8th ranked performance from 2019, 2021, 2022. When the 6th Ranked performance in 2022 was a lesser performance than the 3 year average, the average National 8th ranked performance was used (with some exceptions in field events).

The 10K Race Walk standard is based on the average National 1st ranked performance from 2017, 2018, 2019, 2021, 2022 & the 2023 Pan Am Race Walking U20 Standards.

Eligible Performances

All performances must appear on the [2023 Outdoor Athletics Canada Rankings](#). It is the responsibility of the athlete to ensure eligible performances appear in the rankings in order to be considered for selection. Please submit results to results@athletics.ca.

Ineligible Performances

For purposes of selection the following performances will not be eligible for selection or funding:

- i. Wind-Aided Performances;
- ii. Hand-Timed Performances for events 800m and shorter.
 - a. Hand – timed performance in individual and relay events, 800m and shorter will not be accepted for the purposes of team selection. For other events, hand time results will be accepted for selection when accompanied by documentation signed by the chief track referee.

COMPETITIVE READINESS

Selected athletes are expected to be competitive ready at the time of selection and leading up to, and at, the provincial team events. As part of demonstrating competitive readiness, athletes will be required to complete steps outlined below.

Selection Acknowledgement Form

All athletes, and primary coaches of athletes, selected to a BC Team must complete, sign and submit the BC Team Selection Acknowledgement Form prior to receiving team information (travel, accommodations etc.). As a part of this form disclose to BC Athletics if there are any reasons (i.e. injury) that may affect their competitive readiness.

Competitive Readiness

If a selected athlete presents reasons (i.e. injury or illness) that may result in questionable competitive readiness, BC Athletics will work with the athlete and coach on a case by case basis to certify the athletes competitive readiness.

2023 BC Team Program

- Athletes with questionable competitive readiness will be required to prove fitness. This may be done through proof of fitness at a competition. In some cases, medical documentation may be used as an evaluation tool if competition is not possible.
- If an athlete and personal coach falsely certify that a selected athlete is competitive ready resulting in a poor performance or non-performance at the BC Team event, that athlete and coach may be responsible for refunding BC Athletics the total costs incurred for team travel, entries, equipment transportation or other costs associated with the BC Team. BC Athletics will consider these situations on a case-by-case basis.
