Technical Packages are a critical part of the Canada Games. They guide the selection of athletes by prescribing the age and eligibility requirements, assist Host Societies by detailing competition formats and scoring procedures, assist provincial/territorial mission team (P/T Team) Chefs de Mission in verifying eligibility, identify the maximum number of participants permitted, advance coaching certification by stating minimum requirements and generally contribute to athlete development by identifying each National Sport Organization’s (NSO) version of athletes in the “Train to Compete” phase of its Long Term Athlete Development Framework (LTAD), or other suitable phase of the framework as justified by the NSO, discussed with the LTAD expert group, and approved by the Canada Games Council (CGC) Sport Committee.

Every Games’ technical representative, coach, manager, sport leader and mission staff has an obligation to read and understand every aspect of the Technical Package. Failure to do so could cost an athlete their eligibility for the Games or could affect final standings or the conduct of the competition. If someone does not understand an aspect of a Technical Package, they are to seek clarification from the CGC Sport Committee through their Chef de Mission or NSO.

Technical Packages are developed 36 to 24 months prior to Games primarily by NSOs, following the Principles that Govern Technical Packages, guidelines and requirements of the CGC. As the overall governing body of the Games, the CGC has the ultimate authority over Technical Packages, but this authority is exercised only with the knowledge and understanding of the concerned NSO. Generally, Technical Packages are developed by sport, but in certain cases may be developed by discipline.

If an individual wishes to seek clarification or initiate a change to a Technical Package leading up to a Games, the request should be first directed to the NSO or the Chef de Mission. The NSO or Chef de Mission will evaluate the merits of the request and will, if it has merit, submit the requested change or clarification to the CGC’s Sport Department for consideration. The NSO or Chef de Mission will provide the rationale for the request. Changes to age groups, eligibility requirements, team sizes or staff complements will not be considered within 36 months of the Games. Additions or changes to events/competition formats that result in a significant cost increase to the Host Society will not be considered within 24 months of the Games, unless approved by the CGC and the Host Society. Substantive changes to events or competition formats will not be considered within 18 months of the Games, unless approved by all participating Provincial/Territorial Sport Organizations (P/TSO) and the CGC. Minor corrections will be considered at almost any time, but will be increasingly difficult to achieve within six [6] months of the Games. These time frames reinforce the importance of complete understanding of the Technical Package by Games’ stakeholders early.

There is a maximum of two (2) entries per event per Province/Territory, except para shot put and discus where there will be a maximum of one (1) per event per Province/Territory.

There is no limit to the number of events a competitor may enter. A Province/Territory may enter only one relay team in each relay event.

There will be qualifying rounds in all field events where the number of entries exceeds 17. In field events where there is a preliminary round, at least 12 athletes will advance to the final round. Athletes who have achieved the performance standards will advance to the final round of the event. Standards and rules of advancement will be presented at the technical meeting.

Semi-finals and finals will be conducted in all track events of less than 2000 metres as required by the number of entries.
For races of less than 1500 metres, there shall be a “B” final for those who do not qualify among the top eight who will run in the “A” final. The “B” final will have up to eight competitors. In the schedule of events, the “B” final shall precede the “A” final. The “A” finalists will be determined in accordance with IAAF advancement Rule 166. The next eight fastest times will advance as “B” finalists.

To determine the number of rounds and the number of heats in each round, the tables outlined in IAAF rule 166 will be used with the following exceptions:

- The 1500m and steeplechase events shall be conducted as straight finals if there are fewer than 19 declared entrants; and,
- Regardless of the number of entries received, the 5000m event shall be conducted as a straight final.

IAAF rule 142.4 and 142.5 (failure to participate) will be applied.

5.2. Schedule of Events

A draft Schedule will be available to teams as soon as one has been developed and approved for public circulation.

After receiving and considering input from the Provinces and Territories a revised draft schedule will be made available to teams.

NOTE: The Final Schedule may change when entries are received and the numbers entered in each event are known. Where qualifying rounds are not required, finals may be run at the time of the qualifying round.

After receipt of the entries the Competition Schedule will be modified to reflect the number of entries in each event and the Final Schedule will be posted on the Canada Games website (www.canadagames.ca/2021) and communicated to the teams by email to the address from which the team entries were submitted.

5.3. Weather Protocol

To be confirmed by Athletics Canada.

6. TIE BREAKING RULES - COMPETITION

The deadline for the confirmation of entries is 9:00 am on the day the event is to be held. Confirmation of entries is to be presented in writing to the Host Society's Results Lead.

8. **SPORT SCORING POINTS**

Sport scoring points are a tool used to determine the performance of a P/T Team across all events within a sport. At the conclusion of an event, sport scoring points will be awarded using the following criteria:

- In the individual events there are 26 scoring positions, with points awarded for 1st through 26th position as follows:

</tbody>
</table>

- For events run in lanes, positions 9 to 16 shall be determined by the order of finish in the “B” final. Qualifiers for the “A” final shall be scored from 1-8 depending upon finish order in the “A” final. Athletes not in the “A” or “B” final shall be ranked by their time, height or distance from qualifying rounds.

- In the relay events there are 13 scoring positions, with points allocated for 1st through 13th as follows:

<table>
<thead>
<tr>

</tr>
</tbody>
</table>
• Positions 9 through 13 shall be determined by the order of finish of the "B" final. Qualifiers for the "A" final shall be scored from 1-8 depending on the order of finish in the "A" final.

• Athletes and relay teams competing in the qualifying round of track events and in qualifying rounds of field events that do not finish (DNF), are disqualified (DSQ), do not start (DNS), or do not record a valid jump or throw (NH) (NM) shall not score team points. Furthermore, athletes and relay teams that DNF, are DSQ, DNS, NH or NM in events that are contested as a straight final (i.e. no qualifying round is held) shall not score team points. The exceptions to the above are the Combined Events (Heptathlon and Decathlon) where athletes who start each of the events that make up the combined event shall be deemed to have finished the Combined Event even if they do not finish or record a performance in one or more of the events that make up the combined event.

• Athletes who have qualified for the finals will be awarded points since they did rank higher than the athletes who were beat out in the preliminary rounds. For example, if Athlete X advances to the “A” Final but then gets disqualified, he/she would still be awarded points of the 8th place finisher (50 pts based on the scoring system). If two athletes were to be DSQ in the “A” Final, they would then split the points that would have been awarded to the 7th and 8th place finishers (55+50)/2 = 52.5 pts per competitor. The same procedure applies to athletes and relay teams that do not finish the B Final and to athletes that have qualified for a field event final but do not record a valid performance in the final.

• Furthermore, athletes or relay teams not finishing (DNF), disqualified (DSQ), not starting (DNS) or with no valid jump (NH) do not score in the overall ranking in events with a straight final.

• All individual and relay events shall be scored according to the above-mentioned system regardless of the number of entries received and/or Provinces/Territories represented.

9. **FLAG POINTS**

Games to Games performance by a P/T Team at the Canada Games is measured by accumulated Flag Points. Every P/T Team is awarded Flag Points for its ranked performance in each sport in which it competes.
In Athletics, Flag Points will be awarded separately for female and male events based on the total of sport scoring points awarded.

After ranking the P/T Teams from first to last, and after any ties have been resolved as detailed in Section 10 (Tie Breaking Rules - Flag Points), Flag Points will be awarded as follows:

<table>

10. **TIE BREAKING RULES - FLAG POINTS**

If there is a tie in points between two or more Provinces/Territories, the tie shall be broken in favour of the Province/Territory with the most first places, if still tied, the most second places, and if still tied, the most third places and so on until the tie is broken.

11. **MEDALS**

The Canada Games will award medals to athletes only.

Gold: 74  Silver: 74  Bronze: 74

Note: Relay teams may be awarded up to six (6) medals if there are changes in runners from semi-finals to finals. Only the four (4) finalists will take part in the medal ceremony.

12. **COMPETITION UNIFORM**

Provincial/Territorial team colours must be worn. Additional information on each Provincial/Territorial teams colours can be found in Appendix C of the CGC’s Commercialization and Sponsorship Policy.
13. **EQUIPMENT**

The organizers will provide starting blocks, relay batons, and throwing implements. Throwers may submit their implements for certification and use in the event’s equipment pool. Athletes in the pole vault and decathlon must provide their own poles, which must be submitted for inspection and control prior to the event.

14. **PROTEST & APPEALS**

14.1. **Canada Games Council Appeal Policy**

Appeals relating to the Athletics Technical Package or any decisions made by the CGC will be made in accordance with Canada Games Appeal Policy.

14.2. **Competition Protests**

All competition protests will be according to IAAF rule 146.

15. **ANTI-DOPING**

The CGC adopts the Canadian Anti-Doping Program (CADP) Covenant as a fundamental commitment to engage in a cooperative and collaborative effort to eliminate doping in sport and to support harmonized, coordinated and effective anti-doping measures in Canada. Any Canada Games participant (athlete, coach, manager, technical support, or other person) found to have committed an anti-doping rule violation at the Canada Games (as determined pursuant to the CADP) will be subject to all of the penalties and consequences, as outlined in the Canadian Anti-Doping Program.

16. **APPENDICES**

Please review the attached appendices as they form an integral part of this technical package.

- APPENDIX 1 - Coach Certification Requirements
- APPENDIX 2 - Performance Guidelines
APPENDIX 1 - COACH CERTIFICATION REQUIREMENTS

The NCCP model distinguishes between training and certification. Coaches can participate in training opportunities to acquire or refine the skills and knowledge required for a particular coaching context and as a result, they are considered “trained”.

To become “certified” in a coaching context, coaches must be evaluated on their demonstrated ability to perform within that context in areas such as program design, practice planning, performance analysis, program management, ethical coaching, support to participants during training, and support to participants in competition.

NCCP coaches are described as follows:

- **In Training** – when they have completed some of the required training for a context;
- **Trained** – when they have completed all required training for a context;
- **Certified** – when they have completed all evaluation requirements for a context.

For more information relating to NCCP Performance Coach and Club Coach training and certification, consult – [https://athletics.ca/programs/coaching/coaching-education/](https://athletics.ca/programs/coaching/coaching-education/)
APPENDIX 2 - PERFORMANCE GUIDELINES

The following Performance Guidelines have been established by the respective NSO, at the request of the CGC and the Federal-Provincial/Territorial Sport Committee (FPTSC), to reflect the expected training and/or performance parameters of a typical Canada Games athlete in the Training to Compete phase of LTAD. These Performance Guidelines have been developed as a tool for P/T teams to use at their discretion in the training and selection of their Canada Games teams. These Guidelines are not required selection criteria.

To be confirmed by Athletics Canada.
