1. INTRODUCTION

1.1 PURPOSE OF THIS DOCUMENT

The purpose of this document is to provide a clear outline of the BC Athletics Performance Support Program including but not limited to, program eligibility, athlete and coach selection and other important program information. This document ensures transparency and consistency in the administration of the program, providing a standardized framework that aligns with BC Athletics' mission to develop and sustain performance athletes across all Track & Field and Non-Stadia disciplines.

1.2 PERFORMANCE SUPPORT PROGRAM

The BC Athletics Performance Support Program is the provincial Performance program for Athletics (Track & Field, Road, Mountain and Trail Running and Cross Country) in BC. Examples of program support includes, but is not limited to, funding for competition at national age category championships and national multi-sport games, access to performance support modalities, and access to services through our partnership with Canadian Sport Institute Pacific. The objectives of this program include:

- To select a roster of male and female athletes who have demonstrated the ability to be a finalist at a National Championships event and/or international event.
- To support athletes in achieving their performance goals and successfully moving towards the Athletics Canada High Performance Pathway and National Team opportunities.
- To provide coaches with support and resources to advance their coaching practice.

1.3 PROGRAM ROLES

a. BC Athletics (BCA)

As the Provincial Sport Organization (PSO), BC Athletics is responsible for all BC Athletics specific criteria, program selection, nomination to Canadian Sport Institute (CSI-P) and annual reporting.

b. Canadian Sport Institute Pacific (CSI-P)

The Canadian Sport Institute Pacific, through a partnership with the Province of British Columbia (BC), ViaSport, the network of PacificSport centers, and BC Athletics, collaborates to deliver programs and services to place BC Athletes onto National Teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout British Columbia.

Through the above partnership, and with the above purpose in mind, BC Athletics may nominate athletes and their coaches who meet specific criteria for Canadian Sport Institute Pacific / PacificSport

athlete or coach registration. Upon registering, athletes and coaches can engage in enhanced programs, benefits, and selected support services through Canadian Sport Institute Pacific and the network of PacificSport regional centers in BC.

Canadian Sport Institute and PacificSport athlete support is divided into four levels based on performance, each with a slate of designated benefits. Please click for an outline of Canadian Sport Institute athlete and coach benefits, programs, and services. Please see Appendix C for an outline of BC Athletics targeted athlete benefits, programs, and services as delivered through BC Athletics.

Targeted athletes are nominated by BC Athletics based on the athlete criteria below. Any inquiries regarding the sport-specific selection criteria can be made to Garrett Collier, Program Manager, BC Athletics – garrett.collier@bcathletics.org. As a general principle, all athletes are expected to demonstrate evidence of their ongoing performance progression and tracking toward BC Athletics high performance program benchmarks to remain in the program. Garrett Collier and the Canadian Sport Institute technical lead working with BC Athletics have the final authority over the Canadian Sport Institute nomination process.

The athlete and coach nomination cycle for Canadian Sport Institute / PacificSport / BC Athletics runs December 1 to November 30 annually, and athletes are selected based on performances from the previous 12 months. Athletes who meet criteria throughout the annual nomination cycle may be added to the BC Athletics targeted athlete list, on a case-by-case basis, by contacting the PSO/DSO Technical Representative.

c. Athletics Canada (AC)

As the National Sports Organization (NSO), Athletics Canada is responsible for identifying high performance athletes through the Canadian Athletics Performance Pathway (CAPP) program. BC Athletics athletes on the CAPP list will also be on the BC Athletics Support Program Athlete List.

2. PROGRAM SUPPORT

2.1 PURPOSE

Canadian Sport Institute Pacific, through a partnership with the Province of British Columbia (BC), viaSport, the network of PacificSport centers, and BC Athletics, collaborates to deliver programs and services to place BC athletes onto National Teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout BC.

Canadian Sport Institute / PacificSport athlete and coach support for the Podium and Canadian Elite nomination focuses on athletes 0-4 years from the international podium, identified by the sport-specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes represent the current generation of National Team athletes who are supported by the NSO through Sport Canada's Athlete Assistance Program.

Canadian Sport Institute / PacificSport athlete and coach support for the Canadian Development and Provincial Development nomination focuses on athletes 5-12 years from the international podium, identified by the sport-specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent both the next generation (5-8 years away) and future generations (9-12 years away) of Olympic and Paralympic (or World Championship) medalists. Support may be focused more on the future generation (9-12 years away) for some targeted Paralympic sports depending on the quality of the next generation (5-8 years away) of athletes and teams.

FIGURE 1 – PODIUM PATHWAY (LTAD 3.0)

The BC Athletics Performance Support Program offers selected athletes support based on their level of classification (see Section 5). This program provides support through access to performance support through various services and funding (pending availability). To view a complete list of program benefits please review Appendix C Program Benefits.

PLEASE NOTE: Selection to the BC Athletics Performance Support Program roster does not guarantee selection to specific BC Teams (example: 2026 BC U26 Senior Team). Please consult specific BC Team selection criteria for selection to those teams.
