

## Updated Provincial Health Orders

### BC Athletics COVID-19 Update:

- Updated PHO Order – Gatherings and Events – **as of November 16<sup>th</sup>, 2021**  
**AND**
- BC Athletics Proof of (COVID) Vaccination Policy – **as of November 20<sup>th</sup>, 2021**

### Statement from BC Athletics:

BC Athletics is committed to insuring and providing through policies and application, a Safe and Secure Environment for the fun and participation in all aspects / specific interests of Athletics.

To that end BC Athletics encourages all members to continue to practice all health and safety protocols and as is possible, to access the COVID Vaccine and help to:

- Reduce the spread of the COVID virus;
- To keep you safe;
- To keep your friends and family safe;
- To keep all those involved in Athletics safe.

The [BC PHO Order on Gatherings and Events](#) has been amended, followed on November 17<sup>th</sup>, 2021, by a viaSport notice on how the updated order applies to Sport.

### From viaSport – Specific to Sport:

The revised PHO Order on Gatherings and Events has several updates that are relevant to sport. The major changes to be aware of are:

- Outdoor events do not require proof of vaccination, which includes supervisors of all sport programs and events (Section D.1.)
- For indoor sport programs and events, the Order now clarifies that parents and volunteer supervisors of youth, are required to show proof of vaccination. We now have clearer language around who this includes:
  - Those who receive an honorarium, or something similar, are considered volunteers (Section D.8.a)
  - Parents, even if required to be present for a youth sport activity; this includes parent and tot classes (D.8.b).
  - Anyone volunteering with children/youth, which includes those 21 and under (Section D.9)

- For indoor sport programs and events, the Order now clarifies that individuals who are employed to lead, supervise or assist with a program for children and youth are exempt from showing Proof of Vaccination (D.3)
- Section AA now exempts “swimming and activities in swimming pools”. As such, adult sport programs are now exempt.
  - Non-employee coaches/supervisors and spectators are required to show proof of vaccination as they are not participating in the “activity in the pool”.

**NOTE:** Additional regional health orders are in place in Fraser East\*\*\*, Interior and Northern Health.

- \*\*\* Fraser East consists of the following communities: Hope, Chilliwack, Abbotsford, Mission and Agassiz/Harrison

### **BC Athletics – Proof of (COVID) Vaccination Policy – November 20, 2021**

At the November 20<sup>th</sup>, 2021 BC Athletics Board of Directors Meeting a BC Athletics Proof of Vaccination Policy was adopted and is effective immediately.

#### **BC Athletics Proof of (COVID) Vaccination Policy:**

- 1. Specific to Indoor Athletics Programs and Events for Children and Youth:**
  - a. Individuals who are employed to lead, supervise or assist with an Athletics program for children and youth (21 yrs and younger), **are, as per the BC Athletics Policy, required to show Proof of (COVID) Vaccination (two doses).**
2. The BC Athletics Proof of Vaccination Policy applies to all Individual Members of BC Athletics who are employed in Athletics at the Provincial, Club, Unattached or Business levels of Athletics and who lead, coach, supervise, organize, officiate or assist in the delivery of Athletics programs to children and youth.
3. All other requirements for Outdoor and Indoor Sport as per the [viaSport Return to Sport Restart 2.0 Chart as of November 18<sup>th</sup>, 2021](#) remain in place – **See All 3 Pages.**

#### **School Sport:**

- The PHO Order did not reference School Sport.
- For information on School Sport please contact:
  - The specific school; or
  - The school district; or
  - [BC School Sports](#)

#### **Records of Vaccination:**

- Clubs, Event Organizers are allowed to keep written records of proof of vaccination from participants, as long as they have written consent from the participant to do so. These records may only be kept for the purposes of confirming that a participant has been vaccinated, and can be kept until this Order expires or is repealed.

#### **Verifying and Managing Proof of Vaccination:**

- **BC Athletics Members – Member of BC Athletics Clubs**
  - BC Athletics Members Clubs are responsible for:

- Verifying proof of vaccination along with Government issued photo identification.
- Maintaining a copy, if they have written consent from the participant, of the proof of vaccination.
- **Note:** if the club has consent to retain a copy of Proof of Vaccination, that can be:
  - A paper copy
  - Email copy
  - Other means that replicate the Proof of Vaccination
- Note: if the club does not have consent to retain a copy or does not wish to retain a copy of the Proof of Vaccination, it is recommended that the club:
  - Maintain a list of members who have provided Proof of Vaccination
- **Unattached BC Athletics Members inclusive of:**
  - Coaches 19 yrs of age and older Coaching Youth 21 yrs old & younger
  - Athletes/Members 22 yrs of age and older, as required
  - Officials of any age
- Who, as per the Provincial Health Order, are required to show Proof of Vaccination.
- **Unattached Members must provide the Proof of Vaccination and Government issued Photo Identification** , as required to BC Athletics can upload this information at [Unattached Members – Proof of Vaccination](#)
- **Note: Please indicate on the form - yes or no - if you give permission/consent to BC Athletics to retain a copy of your Proof of Vaccination.**
- **Capacity restrictions:** The Provincial Health Order has now removed indoor capacity restrictions; however, regional restrictions still currently apply in Fraser East, Interior Health and Northern Health (east of Kitwanga). When deciding which restrictions apply, always follow whichever is strictest.
- **Facility exemptions:** The previous exemption for ice rinks is no longer in place. For public pools, the exemption still applies except for events including organized sport activities.

**Health Orders change frequently and without notice, this is not legal advice and does not provide an interpretation of the law. In the event of any conflict or difference between this webpage and the order, the order is correct and legal and must be followed.**

Thank you for your continued support and compliance with the Provincial Health Orders.

Sincerely,

BC Athletics Board of Directors and Staff.
