

NCCP Sport Coach Track & Field - Technical

National Coaching
Certification Program

South Surrey
April 1-2

LOCATIONS

South Surrey Athletic Park

AN INTRODUCTION TO TRACK & FIELD

This course teaches the basic skills of all events in track and field. It is ideal for the generalist coach that may be coaching introductory-intermediate level athletes in multiple events, often in a school or club, at a junior high –high school level.

Learning Facilitator: Barb Vida

NCCP Certification Requirements

In-Training VS Trained VS Certified

This course will start you on your way to becoming a Certified Athletics Sport Coach with the National Coaching Certification Program (NCCP).

- After taking this course you will be **Sport Coach “In-Training”**
- To be **Sport Coach “Trained”** you will also need to take Make Ethical Decisions (MED), Foundations of Coaching (Theory), Long Term Athlete Development. (offered separately, [click here for details](#)). **These do not have to be taken prior to this course.**
- To be **Sport Coach “Certified”** you will need to complete your Sport Coach and MED Evaluations

This is an **NCCP course and requires an NCCP #**. You can register for one for free here: <https://thelocker.coach.ca/>
