Elected at the AGM in September, this report highlights my plans as I enter my role.

- **Connect with the other Zone Director for Zones 3, 4, 5.**
 - Find out what they have been working on
 - Find out what they plan to develop
 - Establish a way to help each other in what we want to accomplish

- **Reach out to the Clubs and Officials within Zones 3, 4, 5.**
 - Introduce myself and call for information
 - Information on what they are looking for/need from their zone directors

- **Look into reaching out to the schools within Zones 3, 4, 5.**
 - As per the strategic plan to incorporate School programs within BC Athletics
 - Track what schools are in the zones 3, 4, 5
 - Which schools participate within the sport of athletics
 - Reach out to those that do with an introduction and call for information
 - Potentially look into reaching out to those that don't in a way to find out the circumstances into not participating.
