3) **Performance Coach Updates**
   - In 2019 and going forward, Performance Coach in 2019 will be hosted provincially or regionally rather than having one or two nationally and with two or 3 event groups at a time rather than all five (Sprints, Endurance, Throws, Jumps, and Wheelchair).
   - This is a 4 day event, with 8 hr online pre-course component.
   - The online component will also serve as a readiness opportunity for coaches. When registering, they will register with AC and then forwarded to BCA who - between the two - will decide if the coach is ready for performance coach (i.e., has taken club coach, coaching a comp. dev. level athlete or has a sufficient based knowledge) – criteria TBC and sent out.
   - A national schedule was released in the fall – however, many of the events have now changed due to various reasons.

4) **Sport/Club Coach updates:**
   - Sport and Club coach contents and schedules are being revised.
   - Some major changes include: shorten course as well as a “Foundations of Athletics Component.” This includes online pre-course work as well as 5 hours of in class work. The Foundations portion is a required for both Sport and Club Coach, however coaches need to only take it once – thus if completing club coach after sport, or after having taken another club coach they will not have to repeat it. The club coach evaluation will also be changed to not include the competition observation
   - We are currently working on details of schedules, cost, and LF payments, and the online portion.

5) **Learning Facilitators.**
   - Performance Coach facilitators or sprints (Barb Vida and Brenda Van Tighem) were trained by Jenn Schutz in April’s course. Throws, Jumps and Wheelchair racing will be trained in the fall
   - Sport and Club coach LF’s will be trained on the new courses over the upcoming months with Jenn Schutz.
