

BC Athletics Zone 3-4-5 Director's Report

Jacob Emerson & Jasmine Gill

Track & Field Sub-Committee

As per the motion put forward at the AGM by Mo and Bill, BCA has established a sub-committee tasked with reviewing scheduling and format of meets. Our first meeting will be on Feb 2, 2020.

Committee Members:

- Jacob Emerson & Jasmine Gill - Chairpersons
 - Bill Koch - Representative from Officials Committee
 - Chris Winter - Representative from Track & Field Committee
 - Maureen de St. Croix - Representative of Meet Organizers
-

New Business

Following Ocean Athletics' "Go Green" initiative, we would like to encourage all clubs to consider following the same initiative in order to increase sustainability within our track meets.

Recommendations:

- Implement refillable water stations with no plastic water bottles sold on site.
- Refrain from posting performance lists with the exception of advancements to finals for events with heats and finals. Performance lists can be available online prior to the start of the meet.
- Limit the amount of paper in meet packages (ie. post schedules in various areas at the competition site instead of including them in the meet package).
- Provide a live link to results instead of posting results.
- Encourage the proper use of disposable bins on site: recycling, garbage, compost
