**3.3 NCAA Athletes**

Athletes attending an NCAA Division I Institution can accept BC AAP funding as of August 1, 2013. Under NCAA bylaw 12.1.2.4.7 the definition of entities that can issue support under "Training Expenses" is extended to "...a government entity." All athletes must have a comprehensive yearly training and competition plan. Athletes should work with their coaches to develop this each year. Information about your yearly training and competition plan will be integrated into the online application form (you do not need to upload your YTP). If the athlete or coach needs support in building their yearly training and competition plan, please email Track and Field Program Manager Megann VanderVliet – Megann.vandervliet@bcathletics.org

## 5.0 SELECTION

All performances must be achieved in sanctioned competitions, and therefore listed on the [Athletics Canada rankings list](#). All performances must meet the rules for recognizing performances (i.e. legal wind readings, etc.).

### 5.1 BC Athletics High Performance Program Selection Process

For information on selection for BC Athletics High Performance Program, please [CLICK HERE](#).

### 5.2 BC Athletics Athlete Assistance Program (AAP) Selection Process

#### a) BC AAP Specific Selection Criteria

- i. Athletes need to meet the minimum age performance standard (see Appendix B & C) in the event (one only) they wish to be carded in within the established qualification period. Other athletes may be considered by nearness to the age performance standard if funds are available (see below).

#### b) Age Performance Standards (APS)

Achieving the age performance standard enters the athlete into the selection pool for consideration of funding. Achieving the age performance standard is not a guarantee of selection for funding.

BC Athletics has published Age Performance Standards for Men (see: Appendix B) and Women (see: Appendix C). These performance standards are created in consultation with the Track & Field Committee and BC Athletics staff. Standards take into consideration a wide variety of factors. These standards are revisited annually.

Athletes who have achieved a performance near to their age performance standard, but not surpassing it, are encouraged to apply for BC AAP funding. This is recommended as these athletes may be considered for funding if all athletes who

achieved the minimum athlete performance standard have been selected, and available funds remain.

## **6.0 APPEALS**

Athletes may appeal the decisions of the selection committee based on the: (1) The award level or amount for which they have been recommended or (2) The athlete has not been recommended for athlete assistance, and believes they should be, based only on the published criteria.

### **6.1 Appeals Deadline**

All appeals must be received by BC Athletics within 48 hours of the posting of BC High Performance Athlete Support targeted athlete list on the BC Athletics website.

### **6.2 Appeals Process**

All appeals must be based on the criteria as outlined above. The process for BC AAP appeals is the following:

- Step 1: Athletes must submit a Formal Letter of Appeal to the BC Athletics Program Manager (via email) ([megann.vandervliet@bcathletics.org](mailto:megann.vandervliet@bcathletics.org)) no later than the published deadline (see above).
- Step 2: All appeals will be forwarded to the Track & Field Committee and staff for decision. The initial appeal decision will be sent to the athlete and personal coach of the athlete via email and will require a confirmation signature from both.
- Step 3: If the initial appeal is accepted, the athlete and personal coach must send the Appeals Sign-Off form.
- Step 4: If the initial appeal is not accepted, a Formal Letter of Appeal is to be submitted to the President/CEO of BC Athletics no later than 5 days after the initial appeal is received. The final appeal is then considered by the BC Athletics Appeals committee of the Board of Directors.
- Step 5: The Final Appeal will be communicated back to the athlete and personal coach by the BC Athletics President/CEO. The decision of the appeals committee shall be final.
