(Women and Men, 35+)

Updated December 31, 2022)

Effective January 01, 2001: Wind readings are required in races 200m and shorter, and in the long and triple jump. Only electronic times will be accepted in races 400m and shorter. The conversion factor comparing hand times to electronic times is +0.24 seconds (+0.14 for 400m). "p" indicates pending records.

\*\* 2022 records in Bold.

Records after Aug 12 are pending until approved at 2023 AGM
