More information will be available here as we get closer to the date, however, details and the registration form are available on the Officials' Website.

## Development

- Don't forget, if you wish to upgrade your certification this year, contact Cheryl Elke at [wcelke@shaw.ca](mailto:wcelke@shaw.ca). Planning for those Evaluations has begun. More information can be found on the Officials' page of the BC Athletics website.
- Not yet registered with **BC Athletics**? You can do this either as an individual or through your Club. Remember, you can't be reimbursed for travel or parking expenses if you are not a member.

Coordinators in the Interior – Greg Nicol ([glnicol@telus.net](mailto:glnicol@telus.net)), Alwilda van Ryswyk ([alvan50@shaw.ca](mailto:alvan50@shaw.ca))

Coordinator on the Island – Vince Sequeira ([vince.sequeira@shaw.ca](mailto:vince.sequeira@shaw.ca))

Coordinators in the Lower Mainland – Carol Cull ([carolcull@telus.net](mailto:carolcull@telus.net)), John Cull ([johncull@telus.net](mailto:johncull@telus.net))

## Recognition

Congratulations to one of our long serving Officials, Jake Madderom. Jake has been inducted into the Canadian Masters Athletics Hall of Fame for 2019 in the category of Administrator.

Another of our BC Officials, Rose Hare, has been named Canadian Masters Athlete of the month for setting a new W70 Hammer Throw record not once, but twice in the month of April.

## Mentoring

- Cheryl Elke has been busy arranging for Mentoring and Evaluations for many of our Provincial Officials. A number of these will take place at the BC High School Championships in Kelowna at the end of May.

## Technical Corner

- This weekend saw an incident that has repeated itself many times in the past. A young Athlete entered in a High Jump competition left the event to compete in a Track race. Upon returning to the High Jump event he asked to continue jumping at the current height. Unfortunately for this young fellow, once the first round has taken place at a height and the second round has begun, Athletes absent for that first round are deemed to have passed the height and will not be eligible to jump again until the bar is set for the next height.

## In Touch

- Congratulations to Emily Kydd who was welcomed into the 'Masters Group', a new designation for all her future athletic endeavors.
- Did you know that there are 3 Track and Field couples celebrating their 50<sup>th</sup> Wedding Anniversaries this year? I'll let you guess which ones!!!

## Officiating Q & A Questions

A few more of these puzzlers.

*Here are the new Questions and Answers for this Newsletter. Answers can be found at the end of the Newsletter.*

### Q 1

An Athlete sustains a rather deep scratch from a competition shoe spike. Where may he receive medical attention?

- a) In the Competition area      b) In the Medical treatment area      c) At either of these locations

## Q 2

An Athlete in a Pole Vault event successfully vaults over the bar, lands and then quickly grabs his vaulting pole to prevent it from knocking off the bar. Is this legal?

## Q 3

An Athlete in a 10,000m Race Walk event steps off the track in order to retie his shoelaces. She has not impeded any other of the competitors in doing this and steps back onto the track at the point where she left it. What would be the ruling of the Track Referee?

## Items from the Branch Officials' Committee

- Planning continues for the Francophone Games. Expect a questionnaire to come your way to determine your ability to speak and understand French. This questionnaire will be sent to all registered BC Athletics Officials.
