# BCA Athletics Officials' Newsletter

---

Still more Competitions needing your very able assistance.

---

*Come help a friend.*

## Upcoming Workshops – please register at <https://www.bcathletics.org/Officials/>

- The National Level Walks Workshop that was to be held in conjunction with the Trevor Craven Track and Field Meet on Friday June 21, (5:00pm to 7:00pm) has been cancelled.
- A Level 1 Workshop will be presented in conjunction with the Trevor Craven Track and Field Meet, Saturday, June 22 (8:30am to 10:00am). This will be held at Swangard.
- A Level 1 Workshop will be presented in conjunction with the Jack Brow Meet in Kelowna. Participants should gather at the Apple Bowl on the evening of Friday, June 28<sup>th</sup> (5:00 to 6:30). The presenter of this Workshop will be Marilyn Benz [mbenz@shaw.ca](mailto:mbenz@shaw.ca)
- A Level 2 Workshop is being presented at Fortius (the building in which BC Athletics' offices can be found) on August 17<sup>th</sup>.

## Development

- Evaluations and Mentoring continue throughout the season Don't forget, if you wish to upgrade your certification this year, contact Cheryl Elke at [wcelke@shaw.ca](mailto:wcelke@shaw.ca). More information can be found on the Officials' page of the BC Athletics website.
- Coordinators in the Interior – Greg Nicol ([glnicol@telus.net](mailto:glnicol@telus.net)), Alwilda van Ryswyk ([alvan50@shaw.ca](mailto:alvan50@shaw.ca))  
Coordinator on the Island – Vince Sequeira ([vince.sequeira@shaw.ca](mailto:vince.sequeira@shaw.ca))  
Coordinators in the Lower Mainland – Carol Cull ([carolcull@telus.net](mailto:carolcull@telus.net)), John Cull ([johncull@telus.net](mailto:johncull@telus.net))
- Don't panic if there appears to be a broken link on the Officials' portion of the website when you are trying to register for a Clinic. This has happened on a few occasions but the reasons are unknown. If you contact me to tell me or contact Sam at BC Athletics, the problem can be corrected quickly.

## Recognition

All Officials are recognized for the many, many hours that they have put in already this season. The numbers of coaches, athletes, parents and spectators who speak to me about the Wonderful Officials that we have in BC are legion. You all deserve a huge round of applause

**AND** a nap.

## Mentoring

- More Mentoring and Evaluating of Officials will take place at the upcoming Jamboree being held in Kamloops in July.

## Technical Corner

- Please do not hesitate to seek medical attention or advise if an Athlete (or a bystander) injures their head at an Event. Be ever vigilant as head injuries may appear slight but even a small bump can cause a concussion. We are encouraging Meet Organizers to attach a sheet to every event clipboard that includes information on where Medical assistance is available during the Competition.
- A number of times at the recent High School Championships, Field results were questioned. It becomes much easier to verify results when backup recording takes place at an Event.

## In Touch

- Congratulations to Vince Sequeira and his wife on the very recent birth of their **ninth** grandchild (this makes 7 grandsons)!
- Way to go Natasha!!! Natasha Friedmann has just graduated from SFU with a Bachelor of Science degree.
- Much good luck to Emily Kydd who will be running this weekend in the Scotiabank-Vancouver Half Marathon.

## Officiating Q & A Questions

A few more of these puzzlers.

*Here are the new Questions and Answers for this Newsletter. Answers can be found at the end of the Newsletter.*

### Q 1

In a Jump-off to determine first place in a High Jump event, Athlete 'A' decides he is too tired to continue and chooses to stop jumping further. What is the decision regarding 'place' that is made by the Chief?

- a) the Athlete remaining is declared the winner      b) the tie for 1<sup>st</sup> place remains

### Q 2

Which part of the body is **not** considered the torso?

- a) the neck      b) the head      c) the chest

### Q 3

In which runway event is an Athlete not allowed to touch the white lines marking that runway

- a) Pole Vault      b) Long Jump      c) Javelin

## Items from the Branch Officials' Committee

- Planning continues for the Francophone Games. Expect a questionnaire to come your way to determine your ability to speak and understand French. This questionnaire will be sent to all registered BC Athletics Officials.
