

An Un-Newsletter for Lower Mainland Officials

June 23, 2021

Hi Official,

A few of the Host Clubs have been in touch to update their Meet information. There has not been enough time, however, for schedules to be readied for all events. I will send this information along just as soon as it is sent to me.

For those of you attending Meets this weekend, please be mindful of the extreme heat and prepare yourself accordingly. Bring lots to drink, though I am sure that organizers will have plenty of fluid on hand, wear a hat and protect your skin from the sun. If possible, escape to the shade or bring an umbrella to provide your own, whenever possible.

Officiating Opportunities

***Please come lend a hand. Send me a note to let me know if you are available.
We need help for the Meets listed below!***

*** It is Important that Officials coming to Meets check the Club's website the night before the Meet as Schedules can Change ***
