### Para Events for JD Athletes

BC Athletics is pleased to announce that we are officially offering Para events for JD athletes!

Beginning this season (2022), we will offer Para Ambulatory events at the JD T&F Championships and the JD Cross Country Championships. We aim to add Para Wheelchair and Seated Events in 2023.

As meet directors & meet secretaries, we ask that when you are hosting meets that include JD events, you create the opportunity for JD athletes who identify as Para Ambulatory to register and be recognized as such in results, while competing with their able-bodied peers.

Congratulations to Kanwal Neel, Wayne Elke, Kathy Terlicher and Bob Cowden. All have been designated Jury of Appeal, National list.

## In Touch

by Lanie Man

## IN FOCUS

We celebrated Volunteer Week and here's an interesting feature showing how diverse and fun Volunteerism can be.

## GETTING TO KNOW ... Brenda Chinn

Brenda has been a BC Athletics Official since the Covid era (fall 2020). She is retired but used to work in high performance sport with CSI Pacific and a brief time with BC School Sports. She is currently affiliated with WC Race Series / Kajaks Track and Field Club.

**Q. What is your level of Officiating? Why did you choose to specialize in these discipline(s)?**

I am working on my Level 3 specializing in Throws. It was a toss-up between Jumps (H/V) and Throws, but my connection as a Board Member with WC Race Series led me to choose Throws.

**Q. What started you into Officiating?**

It was kind of by accident. As a Board Member of WC Race Series, I need to be a member of BC Athletics and I receive the newsletters. I did the two online "pilot" Athletics Canada officiating modules, thinking they wanted a few people to go through it to see if it made sense and that the questions were understandable. Next thing you know ...

Q. Were you an athlete yourself?

No. Definitely NOT an athlete!

Q. How did you get involved with WC Race Series? Can you share some facts about this club/sport?

I volunteer in a lot of sports especially with the BC Wheelchair Sports Association which covers Athletics, Tennis, and Rugby. My participation with the WC Race Series was as simple as the volunteer President asking me! Their Treasurer was stepping down and they needed someone with some financial experience and was knowledgeable re: gaming grants and reporting.

The WC Race Series promotes the sport of wheelchair racing and para-throws throughout the province. Our early mission was to encourage people with a physical disability into sport and recreation through organized road racing events. This expanded to track events in 2000 and field events in 2012. One of the favourite events is "Push Push Putt Putt" which introduces kids with disabilities to the sport of racing and throws. I started on WC Race Series Board in 2016.

Q. What knowledge/skills/expertise were you able to apply to officiating from your other experiences?

Essentially to be fair and provide a good experience for the athletes and coaches. If you can (i.e. within the rules), make it fun.

Q. What motivated you to continue Officiating?

I do a LOT of volunteering in sport and to be honest, it was something that I could do during the pandemic with many of my other sports/events being shut down.

Q. Contributions or notable involvement in the sport of Track and Field and/or Officiating?

LOL ... I haven't been involved in Track and Field long enough to have "notable" contributions. As I said, I do a LOT of volunteering in sport and was recognized by the BC Sport Hall of Fame with the Eric Whitehead Inspired Service Award in 2019.

Q. What do you enjoy about volunteering?

It is my opportunity to give back to sport. I worked in the sport industry for many years and my network of friends seem to know that I am available to volunteer, which is why I have such a varied list of sports/events that I have helped with. Volunteering allows me to stay involved and meet new people.

Q. What do you enjoy the most with Officiating?

Meeting people and listening to the stories of the veteran officials

Q. What are your Hobbies?

A couple times a week I chase a small, white, dimpled ball around the outdoors (golf)

Q. Any other interesting facts/stories you would like to share?

Fun Fact: I am a local official for Bobsleigh/Skeleton. In that sport, there are only local officials and international Jury. I have been asked to write the Jury exam, but that would require me to study!

I do a LOT of volunteering in volleyball - with a local club with 12 youth teams, as well as hosting of the Women's National Team that trains at the Richmond Oval. I attend all of the international (indoor) tournaments hosted in Canada and coordinate the statistics for Volleyball Canada.

My only non-sporty volunteer gig is with the Marine Mammal Rescue Centre. Primarily we rescue, rehabilitate, and release harbour seals. Some animals who have come through MMR are deemed non-releasable and some (seals, sea lions, and sea otters) are at the Vancouver Aquarium. I serve as one of the moderators for the BC Marine Mammal Rescue Society 24/7 stream of sea otters who are ***international stars!*** Watch adorable sea otters: <https://www.twitch.tv/marinemammalrescue>

Q. Who is your favorite sea otter?

ALL the sea otters are my BABIES for different reasons. Although it was Joey who made the otters internet sensations when he was found July 2020 and MMR started streaming him 24/7 on YouTube and more recently on Twitch. As most young sea otters, he was deemed non-releasable and joined the 6 otters at the Vancouver Aquarium. Quatse was found last April and now there are a total of 8 sea otters ... I love them all.

Q. What advice would you give to people who are new to officiating or interested in officiating?

Get a chair, clipboard, and clothing that will keep you warm and dry!

## OFFICIALS WHO COOK

From the cookbook pages of **Sue Kydd**

### **KYDD FAMILY FISH FILLETS.**

400 degrees. 10-15 minutes oven time

Up to 3 Fish fillets of any kind. (I like a thicker cut, and lately have been using tilapia I buy frozen at Costco. Defrost before cooking!)

Sauce. Mix in small bowl. It will be thick

1/4 C. Mayo

1/4 C. Parmesan cheese

2TB chopped chives

1TBS finely chopped red pepper optional, but does add colour

Topping. mix in another bowl.

1/2 C. Fine bread crumbs or panko

1/2 tsp dried or fresh basil

Some pepper

Place fish in single layer in a baking dish.

Spread sauce over fish

Sprinkle topping over fish

Do not cover.

Bake at 400 till fish flakes and top is crisp, about 10-15 minutes.

And another recipe thanks to a contribution from

**Debbie Foote**

## **CHEESIES**

From Lynn McFerran – Co-Chair of the Ontario Officials' Committee  
This is a recipe from Lynn's Auntie Maggie

½ c butter	1 tsp. salt
1 carton McLarens Imperial cheese	dash of Worcestershire Sauce or more
1 c Flour	dash of Tabasco
2 c Rice Krispies	

Soften the butter and cheese together. Add other ingredients. Add the seasoning to taste ( I do not like really spicy)

Roll into 1-inch balls and place on a parchment lined baking tray. Flatten with a fork coated in flour.

350 oven for 10 minutes Be careful. Take them out when just golden brown. If cooked too long they taste nasty.

Can freeze

Lynn says that for best results use McLarens Imperial Cheese.

**Now it's your turn.** If you have a recipe you would like to share, please send it along to Carol at [carolcull@telus.net](mailto:carolcull@telus.net)
