HERSHEY / Athletics Canada

Run Jump Throw Wheel (RJTW) is a skill development program for ages 6 to 12 teaching the basic fundamentals of running, jumping, throwing and wheeling, and the technical progressions for track and field events

- **RJTW** has over 40 ready-to-implement lesson plans which take about 45 minutes to deliver and focus on one of the three skill areas per session
 - Training in RJTW is provided by BC Athletics (coaches, teachers, parents and community members can all be trained in RJTW).
 - RJTW Training teaches coaches how to successfully implement the RJTW program in their sessions.

HOW do we get started?

Contact BC Athletics to host a Run Jump Throw Wheel training course for your coaches/volunteers (1 day course will teach coaches how to deliver quality LTAD programming through the RJTW program lessons)

Establish your Track Rascals schedule
Usually runs for 6-10 weeks
Twice a week (45 mins/session)
- can be done before competitive athletes train to (allow them the opportunity to coach the track rascals first)

Promote your program – Register some Track Rascals!
Utilize the BC Athletics Track Rascals promotion package (add your logo and registration form)

Track Rascals memberships are only
\$10.00 with BC Athletics
Clubs charge their own registration fees

TRACK RASCALS

BUILDING A FOUNDATION FOR SUCCESS IN ALL SPORTS AND PHYSICAL ACTIVITIES

WHO are TRACK RASCALS?

TRACK RASCALS are boys' and girls' ages 6 to 8 who want to have fun learning how to run, jump, and throw! Utilizing Athletics Canada's Run Jump Throw coaches and lesson plans — children will learn the proper skill progressions of running, jumping and throwing while participating in a range of track and field activities such as hurdling, long jump, javelin and shot put.

Athletes are given instruction on all basic motor skills through running, jumping and throwing with an emphasis on FUN and PLAY.

TRACK RASCALS programs develop physical literacy, promote Long Term Athlete Development and are led by NCCP coaches.

DID YOU KNOW?

Fundamental movement and sport skills are the basic building blocks of physical literacy. Running, jumping, throwing — these are some of the fundamental skills that help children to move with confidence, enjoy physical activity, and succeed in sport.
