NOTE: Should Johannes Peters, who resides in Australia and not BC, be allowed to be a BC record holder? Personally I feel this unjustly takes away the record from the true BC resident. Johannes was born in Ontario and lived there for many years before moving to Manitoba. He moved to Australia about 10 years ago and has resided there ever since. He has children in BC and when he visited them, he joined BC Athletics and competed here. He applied for BC records that he broke while competing in BC and in Australia.

Respectively submitted: Harold Morioka
