

## **Jordan Myers | Events & Promotions Board Member (incumbent)**

See me about High Fives (& finish line bear hugs).

I am the current incumbent and have been on the board for 10 years in 2 roles: Zone 3 & 4 rep, and more recently Events & Promotion. I am seeking another term with the intention to recruit & mentor a successor and look at other opportunities to continue to volunteer & support BCA and the membership. I bring a background of 16+ years of professional event production/ organizing experience. Of that experience, specific to local (BC) running and our sport, I have been the RD for Vancouver Marathon, Rock n Roll Van Half, & Lululemon Seawheeze Half, as well as the Finish Area Manager for the Sun Run & TC10k. I work for the City of Vancouver as the Public Safety Manager for Film & Special Events (& Emergency Management). I am also serial volunteer (repeat offender) for a number of other sporting and cultural events annually, a member of the Road Running Committee and recently become past chair. I have lived in Vancouver for 20+ years, the first 10 on the Drive in a variety of eclectic basement & attic rentals (the 604's finest)... & since the Olympics, have lived in Mt Pleasant just off Main @ Myers Flat, with my wife Janis & daughter Kaia.
