

Facilities Report
2021 BC Athletics Annual General Meeting – August 21
Submitted by Brian McCaldar

Track & Field

Discussion, Recommendations, Assistance in 2021 on the following facility initiatives:

- City of Vancouver Track & Field Facility – Initial consultation and work done with Vancouver Parks Recreation on Templeton Track & Long Jump. Track is 3 lanes and a 300 metres.
- Maple Ridge Secondary School T&F Facility – consultation and upgrading of the Hammer / Discus cage.
- Coquitlam – Percy Perry Stadium – discussion with the Coquitlam Cheetahs and Coquitlam Parks & Recreation (Brian Forrester) and the repairs done to the Mondo Track surface.
- North Delta Secondary School – Officially opened on the August 14/15, 2021
- Langley McLeod Park – review and consultation, along with upgrading in preparation for the 2022 and 2023 Athletics Canada National Senior, U20 and Para Track & Field Championships.
- Bear Creek Park, Surrey – engagement with City planners, consultants and user groups and overall design of the facility for multi-sport use.
- Oceanside / Ballenas Secondary School, Vancouver Island – information and support for BC Gaming Capital Project application and other possible funding sources.
- Port Alberni – upgrading of the Hammer / Discus Cage and landing area.
- West Vancouver Secondary T&F Facility – to be named: Harry Jerome Oval – complete upgrade. Consultation and review of design and layout with Facility Consultant.
- Cowichan Valley (Duncan – Chesterfield Sports Complex) – review and consultation on Hammer / Discus Cage and landing area.
- Federal Government – COVID Facility Funding Program – call for shovel ready projects. Call out to BC Athletics Clubs resulted in 11 projects submitted to Athletics Canada who then forward them to the Federal Government – Heritage Ministry (responsible for Sport).

- The following were submitted through Athletics Canada to Fed Govt. No formal notification of support has been received.
 1. Parksville – Ballenas Secondary School – Track Build
 2. McCloud Park – Langley – Communications Network Project
 3. Victoria – Centennial Stadium – Equipment upgrade and replacement
 - Notified after submissions that the Fed Govt removed Equipment as an eligible upgrade.
 4. Burnaby - Swangard Stadium – upgrading • Field Event (runways and throwing area upgrades)
 5. City of Vancouver – Vancouver Tech – T&F Facility upgrade/build
 6. Kamloops – Hillside Stadium – Track resurfacing
 7. North Vancouver School District – Sutherland Track upgrade/build
 8. Oak Bay Secondary School T&F Facility – consultation, review and recommendations re: 2021 Canadian Jeux de la Francophonie Games
 9. UBC – Track & Field facility resurfacing/upgrading
 10. West Vancouver Secondary School – T&F facility rebuild

BC accounted for 9 of the 21 project applications submitted to the Federal Government (10 of 24 submitted to Athletics Canada)

Consultants and Designers – provision of a list to facility owners and city/municipal governments and school boards.

Technical Standards – provision of information on request. Reference the World Athletics 2019 Track & Field Facilities Manual and World Athletics Competition Rules

Technical Facility Reviews – undertaken by the Technical Facilities Sub-committee of the BCA Officials Committee. The sub-committee conducts a scheduled review of facilities and upon request and provides consulting on the design and layout of facilities so as to meet compliance with BC Athletics and/or IAAF requirements for competitions, recognition of performances, records and suitability for the level of competition being considered for the facility.

Thank you to: Peter Fejfar, John Cull, David Weicker, Wayne Elke, Megann VanderVliet and Club and BC Event Group representatives for their work at reviewing and making recommendations on Facilities.
