BC Athletics is limited to two (2) athletes per event. Any legion athlete may enter a maximum of three (3) events and the relay races. Athletes entering the multi-event disciplines are eligible to compete in their provincial team's relay, and in individual events on their day off.

(ii) Additional (Secondary) Events

Selected Athletes may be entered in a maximum of two (2) additional events (3 total) plus relays. If the performance in the secondary event does not meet Criteria 2 (above), and would hinder the performance of the primary (selected) event, then the athlete would not be able to compete in the secondary event.

In the event that three (3) selected athletes declare to compete in the same event, the top two (2) performances within the qualifying period will be selected to compete in that event.

4.0 SELECTION CRITERIA & STANDARDS

4.1 Methodology

When producing team standards, BC Athletics works with the philosophy of “probable finalist, possible medallist”.

The 2018 BC/Yukon Command Youth (U18) Team Standards are based on the higher performance of either A) the average 3rd place finish over the previous 5 Canadian Legion Youth Track & Field Championships, or B) the 8th ranked performance of 2017. The term “Higher Performance” is defined as the more difficult standard (fastest, highest, furthest or greater points depending on the event).

The 2018 BC /Yukon Command Midget (15 yr old) Team Standards are based on the average of 3rd place at the Canadian Legion Youth Track & Field Championships. If necessary, standards are adjusted by the event group representatives on the BC Athletics Track & Field Committee.

4.2 Eligible Performances

All performances must appear on the [2018 Outdoor Athletics Canada Rankings](#). It is the responsibility of the athlete to ensure eligible performances appear in the rankings in order to be considered for selection. Please submit results to results@athletics.ca.

4.3 In-Eligible Performances

For purposes of selection the following performances will not be eligible for selection or funding:

- i. Wind-Aided Performances;
- ii. Hand-Timed Performances;

4.4 Eligibility Pool

Athletes who have achieved the published standard (see: Appendix A or B) within the published qualifying period (see: 3.1) and, who have competed at the 2018 BC/Yukon Youth Legion Team Selection Trials will be

entered into the eligibility pool for selection. Due to limitations in team size, achieving the selection standard does not guarantee selection to the 2018 BC/Yukon Command Legion Team.

4.5 Selection Process ***Policy Change**

Athletes who have achieved the published standards (see: Appendix A or B) will be considered in the following order:

1. Winner in Standard, in the finals of the selection trials;
2. Non-Winner, in Standard, in the finals of the selection trials;
3. Winner in Non-Standard, in the finals of the selection trials, but having achieved the published standard during the published qualifying period (see: Section 2.7);
4. Non-Winner in Non-Standard, in the finals of the selection trials, but having achieved the published standard during the published qualifying period (see: Section 2.7).
5. Athletes unable to compete in the selection meet for the reasons listed below will have their performances considered at this step. Athletes considered at this step will be ranked according to their best performance achieved during the published qualifying period (see: Section 2.7). Notification to BC Athletics is required prior to the start of the first day of competition of the selection meet. [BC Track & Field Championship Jamboree Exemption Form](#).
6. Other athletes may be considered to nearness to the standard and medal potential based on the results of the selection meet.

Exemption 1: Injury or Illness. Notification must be provided prior to the start of the BC Championships. Only notification from a medical doctor will be accepted;

Exemption 2: Competing on an Athletics Canada, BC Athletics or Team BC team. Notification must be provided to the BC Athletics technical manager before or at the time of selection to such teams;

Exemption 3: Domestic Affliction. Defined as a personal or family tragedy, incident or emergency that does not allow an athlete to attend the BC Championships, or accept selection to a BC Team. Notification must be made to the BC Athletics technical manager as soon as it is possible to do so;

Exemption 4: Education, Exam or Graduation Commitment. A letter from a “school representative” must be provided to BC Athletics prior to the start of the BC Championships or selection to a BC Team.

4.6 COMPETITIVE READINESS

Selected athletes are expected to be competitive ready at the time of selection and leading up to, and at, the provincial team events. As part of demonstrating competitive readiness, athletes will be required to complete steps outline below.

A. BC Team Selection Acknowledgement Form

All athletes, and primary coaches of athletes, selected to a BC Team must complete, sign and submit the BC Team Selection Acknowledgement Form prior to receiving team information (travel, accommodations etc.). As a part of this form disclose to BC Athletics if there are any reasons (i.e. injury) that may affect their competitive readiness.

B. Competitive Readiness

If a selected athlete presents reasons (i.e. injury or illness) that may result in questionable competitive readiness, BC Athletics will work with the athlete and coach on a case by case basis to certify the athletes competitive readiness.

C. Evaluation of Competitive Readiness

Athletes with questionable competitive readiness will be required to prove fitness. This may be done through proof of fitness at a competition. In some cases, medical documentation by a medical doctor only may be used as an evaluation tool if competition is not possible.

D. Violation of Competitive Readiness

If an athlete and personal coach falsely certify that a selected athlete is competitive ready resulting in a poor performance or non-performance at the BC Team event, that athlete and coach may be responsible for refunding BC Athletics the total costs incurred for team travel, entries, equipment transportation or other costs associated with the BC Team. BC Athletics will consider these situations on a case by case basis.
