---	--------	----------------------------	---------	----------------	--	--

### 3. Travel Grants:

- International Conference of Athletics Excellence in Vancouver Nov 30-Dec 1; \$200 – 4 applicants
- Performance Summit Jan 18-19; \$250 – applicants TBD

### 4. Performance Coach:

- Had explored hosting two performance coach a year, one in the spring and one in the fall (one for Sprints and Endurance, and one for Jumps, Throws and Wheelchair for the second) as per recommendations from AC. However, due to logistics, available dates, finances, and interest we will host one PC this year with all events.
- We are in discussions with UBC to partner to host all events in the fall. Dates TBA

### 5. Course Updates. Athletics Canada had updated their courses and evaluations in 2019. Some of these changes include:

- 5 hours of the Sport Coach and Club coach contain theory modules that make up an Athletics Foundation course. Those who complete the Foundation course in sport coach can now skip this portion in Club Coach and complete it in two days instead of three.
- The Foundation course is also in the Road Running module. Those who have taken either of these courses can then skip this portion in the other course.
- We will be updating the Road Running course (which is equivalent to Sport Coach track and field but for road running specifically) to align with the new updates from Sport Coach
- A competition observation is no longer required for Club Coach evaluation – only a portfolio and a practice observation.
- A practice observation is no longer required for Run Jump Throw Wheel – only a portfolio

### 6. Course Cost:

- We are proposing a cost and registration change to our courses to stream line the process and make it easier for coaches to register. All coaches will be eligible to register, whether a BCA coach member or not, however BCA coach members will receive a discount of \$75.00+GST to register. Non-coach members will be given the option upon registration to sign up for a BCA membership for \$65.00 + GST. A coach membership also requires a CRC – if they sign up for one then, they have to then start the process of getting a CRC. More information can be found in the document attached.
