

Officials Committee

Officials Development Webinar Series (2021)

The BC Athletics Officials Committee Development Working Group invites officials to the Officials Development Webinar Series (2021).

Target Audience:

The webinar series is targeted at level 2 officials or officials in the pathway to level 2 (e.g., completed the online module 201) to help them prepare to be an official in a specific discipline at a club meet.

Purpose:

The webinars will assist officials prepare to officiate at club level meets. The webinars build on the content presented in the online training by providing additional information on rules and logistical information for officiating a specific discipline.

The webinars will cover the following:

- 1.) What is your position responsible for at a meet?
- 2.) What are the various roles you can perform as this position?
- 3.) How do you set up your event at the track?
- 4.) When running your event, what do you need to be looking for?
- 5.) What do you do to finish after your event is done?
- 6.) What do you need to bring to run an event?
- 7.) Who do you go to if you have an issue?

Format:

The 45-minute webinar will comprise roughly 20-25 minutes of presentation and 20 minutes of activities and questions/answers.

Participants will learn from existing level 3+ officials in a series of disciplines to assist them prepare to officiate at a club level meet.
