

BC Athletics Officials' Newsletter

August 7, 2018

Hello Officials,

It has been such a busy Track and Field Season and we are now almost done this portion of our year. Just one more Track and Field Meet that some are attending in Cranbrook in September (the 55+ Games) and then it is on to Fall activities.

The BC Athletics' AGM is being held Saturday, September 8th at Fortius, 3713 Kensington Avenue, Burnaby. The Meeting will be held in the Forum Room from 11:00am until 3:00pm. For more information please see the BC Athletics' website at: www.bcathletics.org.

Our own BC Athletics' Officials' AGM is currently set for October 20th, however, the date may be changed to one in November. Discussion regarding this change is to be held at our next Officials' Meeting, September 22nd. I will let you know the final date in the next Newsletter and, of course, you will also be able to find the information on the Officials' pages of the BC Athletics' website.

Workshops

We know that many will be pleased to hear that we are offering a Level 2 Workshop in the Lower Mainland on September 9th from 10:00am until approximately 3:00pm. The workshop is being held in the pavilion at Bear Creek Park, Surrey.

The Level 2 course is a 5 – 6 hour workshop and is required for advancement to Level 2 in the Athletics Canada National Officials Certification program. Rules and best practices for all branches of Athletics are covered in a lecture/discussion format. It is conducted entirely in the classroom, and there will be some paperwork. The Registration fee covers costs of handouts, and a current IAAF Rulebook. Registration fees for BCA members is \$25+GST / others \$30+GST.

Please see the information on the BC Athletics' Officials' pages under **Clinic/Workshop Registration**. Here you will find a link to registering on Trackie. Beverages and a light lunch will be provided. The presenters of this workshop are John and Carol Cull.

Upgrading

If you are interested in upgrading your certification next competition year, please remember to look at the information on the website under **Upgrading and Certification**. Here you will find the information, forms and contact information required to advance to your next Level in your desired Event Discipline. We strongly encourage Officials to advance their certification. Having Officials at the Levels 3 and above is of great benefit to athletes who are striving to qualify for standards or need their performance records recognized and approved. And, of course, we are ALWAYS in need of more Officials. We can never have too much help!
