

## BC Athletics Masters Committee Minutes

Meeting Date: April 4, 2007

Meeting Location: Dragomir Liu office

Attending: Jake, George, Harold, Gerry, Frank,

Meeting Start: 6:20 pm

Agenda adopted as presented by the chairman

Minutes of Feb 7, 2007 accepted

### ***Business Arising***

Masters T&F Champs – 5k run scheduled for Friday evening but conflicts with the “Longest Day” 5k. Consideration is given to moving the 5k to Sunday (morning or afternoon) to encourage more participants. Fees \$15 per event -1<sup>st</sup> and 2<sup>nd</sup> events, \$10 per event for all additional events; late fees add \$5 for each event – approved unanimous

Performance Pins – Jake is still working on finding a reliable set of standards to use as a guide for setting the achievement criteria

### ***Correspondence***

None

### ***Standing Committee Reports***

### ***New Business***

Masters Cross Country Bluenose trophy

Bluenose was stolen from a BCA vehicle last fall and needs to be replaced. We need to see that it is replaced with an appropriate alternate. Harold will take this task on and communicate with the Ontario Masters about the replacement.

Track & Field Records

After further research it appears that Rene Belanger was a resident and registered as a CMAA member in Quebec when her 1999 record was set.

One new record, Les East, triple jump, approved.

Canada/USA Cross Country Challenge

It is the US West turn to host the event. Carol from Seattle suggests that the event be held in conjunction with the Northwest Championships if there is ample interest. If not, the suggestion is that event be hosted in the east this year.

Committee members will contact various clubs to poll interest before coming to a decision.

Meeting adjourned at 7:30 pm. Next meeting is going to be June 6, at Dragomir Liu office
