

2012 was a fantastic year for BC Combined Event Athletes. Two athletes, Georgia Ellenwood and James Turner represented Canada at the World Junior Championships in Barcelona, Spain. Georgia and James both finished 18<sup>th</sup> overall with personal best performances.

James Turner, Danielle Delage, Rostam Turner and Sophie Pauls all won national gold at the Canadian Juniors or Canadian Legion Championships in CE. Keely Watts-Watling, Robyn Buckingham, Katie Weaver and Cale Hernandez also won medals in CE at the Canadian Legion meet.

Results from the various Combined Event meets in 2012 are below.

Recommendation:

It is highly recommended that a weekend be put on the yearly schedule for a Combined Events Championship meet. In 2012, there was no offering for Senior athletes, the Junior CE Championships was part of the Langley Pacific, the Youth CE was held at the Jamboree and the Midget CE was part of the JD Pentathlon Championships. It would be advantageous to have one weekend where all four age groups could be brought together for a CE Jamboree competition.
