

BC Athletics U18 Officials Program

Being a part of BC Athletics and volunteering for athletic events builds a better community. BC Athletics officials are an enthusiastic and positive group of individuals. They support the development of athletes and enable them to pursue their athletic goals. As officials, we enjoy the camaraderie within our group of volunteers. We work hard to assist in organizing quality events and we take pride in our achievements.

As officials, we wholeheartedly support the U18 Program and we know that the youth involved in this program will make a positive contribution to the BC Athletics Programs.
